

Dear Campers & Friends

Dear Campers,

We are excited to begin preparing for another summer of teaching and watching our campers develop their skills and love for the game of basketball at our Titan Basketball Camps. We are offering four quality camps this summer in hopes of meeting the developmental needs of each camper.

I am confident that you will have a fantastic experience at all of our camps due to our dedicated and enthusiastic staff featuring IWU coaches and players as instructors. The camps will be conducted at the Illinois Wesleyan University Shirk Center, which is one of the finest athletic facilities in the country.

Based on last summer's high demand for these camps, we recommend applying early as we limit the number of participants to maximize the campers' experience. Contact us for information regarding available scholarships. As always, parents are welcome to attend.

We look forward to sharing part of the summer with you as a student at the Titan Basketball Camp!

Sincerely,

Ron Rose
